

# Summer comes early for TIES

Dear parents,

As many of you know, the TIES Campus is getting some MAJOR upgrades. In preparation for construction, and to get the area ready for Summer School, as well as the timing of Eid ul-Fitr this year, we will finish this school year earlier than we had planned. Instead of taking a three-day holiday for Eid ul-Fitr and then returning to school...

**Last day of school, June 4, 2019**

Graduation will be held on:

**Saturday, June 8, 2019**

\*Graduation details will follow in a separate invite.
